## Limited Warranty

- What does this warranty on your winter storage boat cover?

This warranty covers weld and stitching failure on your new winter storage cover.

### What does this warranty not cover?

The warranty does not cover damage created by injury to the stitching or material. This warranty is not a “wear through” as the customer is expected to appropriately pad the boat in areas where wear is a concern.

### What is the period of coverage?

A period of two years from the date of completion.

- Who is covered?

The original purchaser of the winter storage boat cover.

- What will we do to correct problems?

We will repair the winter storage boat cover free of charge.

- What will we not do?

We will not replace the winter storage boat cover unless it is required, which is at our discretion. Due to normal sun fading we will not match the original winter storage boat cover color with any patches.

- How must you get service?

You must bring the winter storage boat cover to our shop in Cokato, MN for warranty service along with your original invoice.

- What must you do to keep the warranty in effect?

1. Only use your winter storage boat cover for its intended use as noted on your invoice.
2. Immediately notify us of any damage that relates to the warranty.
3. Do not attempt any repairs without our approval. Unauthorized repair or modifications can void your warranty.

Please contact us with any questions or concerns regarding your boat cover. 320-559-0165 or [sales@canvasworksincmn.com](mailto:sales@canvasworksincmn.com)

Thank you!
